ARTISTRY SMILE CENTER

INSPIRING TRUST.
CREATING BEAUTY.
HEALING SMILES.

Have you been looking for dentistry that is a little bit different? For a dental office that puts your comfort first? Where you will feel relaxed and at home because you are being cared for like a member of the family? Welcome to your smile's new home!

Dr. Angela Courtney believes that dentistry can be offered with a softer, more feminine touch – respectfully, and with true concern. Her primary goal is to offer a pampering environment and quality dentistry to bring you the healthy, magnificent smile of your dreams. She knows that real beauty comes from the inside out and that to obtain the ultimate in beauty, you need to be happy and relaxed as well. That is the focus of our practice – dental care for your mind, your body and your health. Our heartfelt intention is that you leave with a smile on your face because you were treated right, got what you needed and had a pleasant time during your visit.

FAMILY & GENERAL DENTISTRY

LIVE.
LOVE.
LAUGH.

Prepare to feel special! Dr. Courtney believes that everyone, from three to 103 deserves to have a smile that is healthy, sound and ready for laughter. That's why she offers relaxing dentistry focused on prevention. Advanced diagnostic technology, fluoride treatments and sealants keep your smile in the condition nature intended.

But life is hard on our teeth, and sometimes they need a little help and support. Our restorative dentistry is accomplished with both health and appearance in mind using the highest quality labs, the best cements and the finest restorative materials available. If you have an emergency, you can relax in the certainty that you and your family will get the great care you know and trust.

The Artistry Smile Center team is here to transform your experience with the calm, pampering, patient-centered dentistry your family deserves. Here's to adding more care into every aspect of your beautiful life!

NEUROMUSCULAR DENTISTRY (TMJ)

RELIEVING PAIN.
RESTORING HEALTH.
REFOCUSING ENERGY.

Chronic headaches and upper body pain can make getting through each day challenging and sap the joy out of life. You could be one of the millions feeling frustrated by the debilitating discomfort of TMJ syndrome. If you are tired of being misdiagnosed, taking daily painkillers for migraine, sore back, aching neck or other chronic pain, we can help.

Thanks to Dr. Courtney's extensive training at the Las Vegas Institute for Advanced Dental Studies, Dr. Courtney is at the forefront of a groundbreaking approach to TMJ care known as Neuromuscular Dentistry. This approach uses state-of-the-art technology to gently diagnose a misaligned bite, determine its most natural and comfortable position, and devise a treatment plan to correct it.

Imagine living pain and headache-free after enduring pain for years. And as an added bonus, many patients also report positive aesthetic results. Imagine what you could accomplish by feeling better. Dr. Courtney thinks that everyone deserves to look and feel their best!

the *softer* side of dentistry

A NEW
EXPERIENCE
IN DENTISTRY.

New! Begin and end your dental appointments with grace and ease. Feel like you have been to a Spa!

What if the most relaxing part of your day was a visit to the dentist? Necessary dental treatments are not usually something you look forward to. It is our pleasure to offer a change.

DentalSpa by Oraspa is a new and compelling technique based on the 5 senses: Sight, Sound, Taste, Touch and Smell. Everything you experience during a DentalSpa treatment is known to cause a relaxation response. Dr. Courtney and her specially trained and certified team are uniquely poised to transform your dental visits into a calm, enjoyable experience. Accustom yourself to being treated very special, unwinding and actually wishing you could linger at your appointments just a little longer....

REFRESH.
RENEW.
RELAX.

FOR HYGIENE VISITS

Some call it soothing. Others call it tranquil. Everyone agrees it's 'dentistry heaven'. This is the DentalSpa by Oraspa, the first dental practice to be accredited in the State of Ohio. The Oraspa room is especially designed as an anxiety-free environment to bridge the gap between relaxation and oral health.

To nurture your soul while you have your dental cleaning, Artistry Smile Center uses warmed blankets, Touch Therapy, environmental and music therapy, and science-based aromatherapy to balance and harmonize with your body, lower your blood pressure, ease stress and make your dental cleanings a joyful experience. This is a complimentary service to all of our patients who request Oraspa for routine hygiene visits. Relax and allow yourself to be wonderfully and absolutely cared for.

RestoraSpa™

ADD INCREDIBLE
QUALITY TO
YOUR LIFE.

FOR RESTORATIVE VISITS

Your total relaxation experience continues with a specialized Oraspa technique called RestoraSpa, which is absolutely a dream. Again, we engage all 5 of your senses; no gimmicks, no placebos, nothing that needs batteries or pills, just the magic and comfort of the power of touch. This holistic technique relaxes you while you are in the dental treatment room. Along with essential oils specifically blended for dental treatment, we offer warm and cold dental stone Diversional Touch Therapy to relax facial muscles and reduce inflammation from sore jaws or injections. This splendid treatment begins when the patient is seated in the dental chair and continues through the end of most dental procedures. Comforting, warm, soothing—wouldn't you like to describe your next dental treatment this way? You simply won't want to leave!

CALL TODAY, 614.451.7393

We are the first dental office in the country to become certified in the RestoraSpa, and we want you to be a part of this phenomenon in dentistry!

There is simply nothing that can replace this level of comfort at the dentist. Make it an ongoing part of your enjoyable life!

HOW MUCH DOES IT COST?

The DentalSpa service is our gift to our patients. It allows us the opportunity to be kind to someone who needs it—YOU! Truly, giving and receiving care is rewarding for us all. Our caring intentions fuel our own energy reserves. Everybody benefits. Cultivate self care today by calling for an appointment!

DR. ANGELA COURTNEY

DR. ANGELA COURTNEY

ARTISTIC.
PASSIONATE.
CARING.

As a patient of Dr. Angela Courtney, you'll know you are in good hands. She has deep appreciation for everyone who enters her practice and seeing her patients every day is the fulfillment of her life's dream. Her consistent confidence and focused personality allow people to feel at ease, while her passion for dentistry, eye for detail and commitment to a higher standard are notable. A perfectionist, she is in touch with her artistic and creative abilities and enjoys expressing it through her work. It's why she chose the world-renowned Las Vegas Institute for Advanced Dental Studies (LVI) for her extensive post-graduate education. LVI is the epicenter for the advancement of Aesthetic and Neuromuscular Dentistry and few dentists seek out such a specific level of training in aesthetics or TMJ. Her track record of consistently excellent results and her gentle, feminine touch make patients feel instantly at ease. In fact, many say a visit to her office is as pleasant as visiting with friends! Dr. Courtney looks forward to getting to know you personally and building a trusting and lasting relationship.
